We fight for Equality among gender, Justice to all and Family Harmony

Uniform Law : We demand Uniform Civil law as well as uniform Criminal law too, it should be same for all citizens of India, it should not be based on Religion. Law should be same for everyone and Punishment should be same to all Gender, Age, Caste and community.

eMpower Family : In today's India, there is no respect for elders, senior citizens and old aged parents; with one word of Daughter-in-Law, they are dragged to jail, in the name of eMpower Women. We oppose Biased Section 498A, and Domestic Violence Act, and strongly support New laws on Family Harmony. Scrap Gender Based Ministries like WCD / NCW, and make ministries work for Whole Family.

No Reservation : There Should not be any Reservation, just because they born in some caste, Region and strictly not at all based on Gender; Everyone should get what they deserve based on Merits and their efforts only. All are Born equal, and they have to earn their living out of their capacity, and Reservation for unfortunate handicapped and Elders only.

Give our Children, both Parents Love : We demand Equal rights to Both Parents in Custody, Our Future Generation, our children's are separated from Father, and denied love and affection from their Fathers of no fault of their, with Biased laws of Divorce and custody. Today's Custody laws totally biased against Fathers, Even Father is natural guardian, no one is getting Even Visitation without fighting in Court for decades, Make laws which gives equal share in Visitation without fighting in court till Custody is decided.

BAN Fetus Killing : Abortion / Fetus killing in the name of sex determination, Many Indian women are forced to Abort, unborn children. As per catholic doctrine Abortion is a SIN and in India it's a CRIME, still many women are forced to kill Fetus. Not only women are forced but we also found many modern women abort without husband consent too.

No Dowry Demand, STOP Dowry Law Misuse : Dowry is Abolished in 1983, still its widely in use in
