Question is what WCD/NCW do with 29664.89 Crore Money?

Few years back former union minister for women and child development Maneka Gandhi said that the role of men in gender sensitisation was critical since "**All the violence is male-generated**".

News Source : <https://www.hindustantimes.com/india/all-violence-is-male-generated-maneka-gandhi/story-QzbdLrEhuCOr5Rjst9KD4O.html>

This shows hatred towards men, WCD/NCW has no policy to make any home happy home, instead they promote domestic Violence. There is not a single event

NCW promoted make a marriage successful. Instead minister spit venom calling men as All violence is generated by Men.

WCD/NCW always claim 498A IPC or PWDVA is not misused when now and then someone raise this issue if so;

why do they not allow camera and cctv in mediation centers and women's police stations where they force men to agree to women demand?

Why they oppose Punishment for filling False 498A IPC or PWDVA and innocent men and his family acquitted?

In 2015 when Indian government planning to Amend dowry law (IPC 498A) WCD/NCW along with senior Supreme Court lawyer Indira Jaising strongly opposed, terming Women need freehand to misuse the law.

The Law Commission recommended that the offence under Section 498A should be made a compoundable offence with the permission of Court.

Justice Malimath Committee on Criminal Justice Reform also recommended that it should be made compoundable as well asailable.

Last year, the Home Ministry had asked all state governments to be judicious in slapping Section 498A of IPC in matrimonial disputes as the provision may be used as "weapons rather than shields by disgruntled wives".

Opposing the move to dilute the anti-dowry provision of the law, senior Supreme Court lawyer Indira Jaising said it is a law which gives relief and protection to harassed woman and it should be continued.

"Violence against women is a violation of human rights. There is no compromise of that. I would disagree with the government move," says Jaising

In 2017, Supreme Court judgment on Sec 498A (Rajesh Sharma & Ors. Vs State of UP & Anr., Crl. Appeal. No. 1265/2017) and the Minister of Women and Child Development Maneka Gandhi's order on setting up windows for men who allege that false cases have been filed against them., it was eyewash to media and world and WCD/NCW never heard any complaint from men.

Many women organizations who mint money by providing false statistics to WCD/NCW to get financial support opposed to dilution of 498A, The petitioners said women's organisations and others who work on the ground with women survivors of violence, such as the Tata Institute of Social Sciences, Swayam, Shramajibi Mahila Samiti and Vimochana, said "Judicial decisions regarding women's right to a life of dignity and free of violence, both physical and mental, in the matrimonial home, cannot be premised on hearsay, and anecdotes echoing embedded prejudice," they said, urging the authorities to take all necessary steps to ensure that women's access to justice is not diluted or obstructed.

In her response, Lalitha Kumaramangalam, Chairperson, NCW, said "it is necessary to delink the emotional issues being raised on misuse of Section 498A and argue for its effective use on purely legal logic and rationale," said a release issued by rights organisations.

So, WCD/NCW not only call All men are violent but oppose punishment for misusers of law 498A IPC or PWDVA, they not only protecting women who misuse law but Promote **LEGAL TERRORISM** also.

Dowry Prohibition Act, 1961 with the intention of protecting wives from marital violence (cruelty to married women), abuse and extortionist dowry demands, but this law is drafted so cunningly, that many Girl families gives money as stridhan, it's a other word for Dowry to keep girl side safe from section 3 of Dowry Prohibition Act, but marriage turn soar same stridhan they term it as Dowry and man demanded it, and the history of this law not a single Women is charged under DP3 so far.

Not only women is protected under DP3 but force accused men to prove all baseless allegation on him. All this was done in accordance with 91st Report of the Law Commission of India (1983) on 'Dowry Deaths and Law Reform; Amending the Hindu Marriage Act, 1955 the Indian Penal Code, 1860 and the Indian evidence Act, 1872'41, and 185th Report of the Law Commission of India (March 2003) on Review of the Indian Evidence Act, 1872. Even in this case, where a person is prosecuted for taking or abetting dowry or for demanding dowry, the burden of proof was placed solely on the accused.

Why WCD/NCW oppose dilution of 498A IPC or PWDVA or punishment for misusing because they show the FIR figure to get Funds from the Government. It's a bread and butter for them, if 498A IPC or PWDVA diluted and ask women to

prove her all false allegation and if found false if she punished, total Fir count will be reduced.

Cases under Section 498A was found to have the lowest conviction rate — merely 12.1 per cent — among all cases of crimes against women.

According to the latest data on crimes, released by the National Crime Records Bureau (NCRB), more than 3.3 lakh cases of crimes against women were registered in 2016. Of these, 1.1 lakh cases related to ‘Cruelty by husband or his relatives’.

Cases under Section 498A was found to have the lowest conviction rate — merely 12.1 per cent — among all cases of crimes against women.

“Assault on women with intent to outrage her modesty”, kidnapping, and rape, which formed the next three major chunks of crimes against women, had conviction rates of 21.8%, 21.4% and 25.5% in 2016, according to NCRB.

Close to 10,000 cases were also registered under the Dowry Prohibition Act in 2016, but conviction rate here too was just over 15%.

NCRB data shows 85% Dowry Prohibition Act are fake but WCD/NCW nowhere shows how many cases men are acquitted. They only show how many complaints are filed. **NOW YOU KNOW WHY WCD/NCW OPPOSE DILUTION OF THESE LAWS.**

Not only WCD/NCW promote Legal terrorism, oppose dilution of these laws, Women ministry also claim "Many women suffering abuse want to go to their mother's house, but during the lockdown, they can only be sent to state-run shelter homes, where the risk of overcrowding and poor hygiene runs high."

When WCD/NCW has **29664.90 Crore Rupees** of yearly funding why these shelter homes are unhygienic ?

WCD/NCW has 29664.90 Crore Rupees (2020) Government Funding, anyone can guess what they do with that money? Why no real women is not getting any help? There are many women approach Men's NGO like MyNation Hope Foundation, asking for help, WCD/NCW is scam ministry, same was reported here. These are not our finding but from well know news media.

90% of NGOs seeking funds under WCD scheme found fake

NEW DELHI: In a disturbing revelation, the women and child development (WCD) ministry has found that nearly 90% of around 1,400 NGOs seeking financial grants under a major training and employment scheme were fake.

Top officials in the ministry said applications were invited from NGOs to impart skill development training to women in rural areas under its Support to Training and Employment Programme (STEP) which has a corpus of Rs 30 crore.

"We had received 1,400 to 1,500 applications of which 90% are fake. The scrutiny of applications revealed that most of the NGOs have applied multiple times giving false names and details," a senior official said. STEP is a major programme being implemented by WCD ministry, aimed at providing employability skills to women. The official said the ministry has decided to upload the names of all fake NGOs on its website so that they can be "exposed" and "identified" by other ministries as well.
